WHAT HAS RAPAC DONE FOR YOU LATELY?

1. NAR defeated new financial regulations that would have required a minimum 20% down payment on all mortgages.
2. NAR continues to fight to protect the Mortgage Interest Deduction.
3. AAR passed legislation to prevent cities and towns from requiring REALTORS® to have to pay for expensive business licenses. This legislation alone has already saved you hundreds of dollars.

Contributions are not deductible for income tax purposes. Contributions to RPAC are voluntary and are used for political purposes. You may refuse to contribute without reprisal and the National Association of REALTORS® or any of its state associations or local boards will not favor or disfavor any member because of the amount contributed. 70% of each contribution is used by your state PAC to support state and local political candidates. Until your state reaches its RPAC goal, 30% is sent to National RPAC to support federal candidates and is charged against your limits under 2 U.S. C. 411a; after the state PAC reaches its RPAC goal it may elect to retain your entire contribution for use in supporting state and local candidates.
